MEMORANDUM FOR THE RECORD:

SUBJECT: Agreement among AD/SI, AD/CD, AD/O, on Production of
OSI Study on Academy of Sciences, USSR

1. In accordance with conversation between Dr. Chadwell, AD/SI, and Mr. Carey, AD/OO, on 4 October 1951, the following procedure will be observed as regards OSI's forthcoming study on the Academy of Sciences.

- (a) The OSI study will be prepared on an all-source basis.
- (b) The classification of this study will be SECRET. This will permit the OSI publication to be given the same wide distribution given to a previous OO study of the Academy.
- (c) If agreed to by the originating office, OO will give OSI support in providing information which, otherwise, because of its sensitive source, would be excluded from a study classified SECRET.
- (d) Before publication, OSI will confer with OO so that the distribution recommended by both offices may be sent to OCD.
- (e) A notation to the effect that the OSI publication supersedes the previously published OO publication on the same subject will be made on the cover or in the first pages of the OSI publication, as determined by OCD.
- (f) After publication by OSI of the Academy study, OO-W reports on this subject will refer to the OSI publication.
